January - March

Decision Time

- Apply to courses, if you haven't already, and watch out for deadlines
- Attend open evenings – look at the list on the 'Events calendar' in 'Future events' on ckcareersonline for dates
- Check current job and apprenticeship vacancies online – see 'Recruitline vacancies' on ckcareersonline and www.gov.uk/apply-apprenticeship. Create your CV and send it to companies that offer vacancies you like
- Interviews start for college, sixth form, apprenticeships, traineeships and jobs with training. Some may want you to do assessment tests – ask your careers adviser if you're not sure what these involve

April - June

Exams - Good luck!

- Make a revision plan and try to keep to it
- Find out about and apply for money for learning
- Complete your CV and Individual Learning Plan if you have one
- Interviews continue
- Check your plans with your careers adviser, especially if they have changed
- Last Friday in June - official school leaving date – check out what this means for you – see 'Raising the Participation Age' on ckcareersonline

July - August

The Next Step

- Have a break!
- Exam results out
- If you're still looking for an apprenticeship, other training or a course, keep in touch with your careers adviser
