www.wisecampaign.org.uk - website of WISE, promoting female talent in science, engineering and technology

www.theimi.org.uk - careers information about working in the automotive industry

www.autocity.org.uk - information about careers in the retail motor industry

www.remit.co.uk - information about jobs and apprenticeships in motor vehicle work

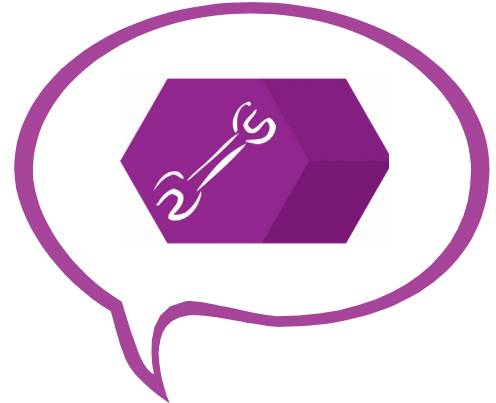

<https://nationalcareersservice.direct.gov.uk> - website of the National careers Service. Click on 'Career tools' and then 'Job Profiles'

www.getingofar.gov.uk - general information about apprenticeships

www.gov.uk/apply-apprenticeship - apprenticeship vacancies

For job/apprenticeship vacancies you could also look at the websites of companies involved in the engineering industry such as Network Rail, David Brown Gear Systems Ltd, British Gas, National Grid, Doosan Power Systems, Yorkshire Water and Mercedes-Benz. Use Google to find their website addresses.

You could also try using **www.yell.com** to find engineering firms and garages near where you live.

These websites will provide you with more information about working in the engineering industry

For more careers information go to **www.ckcareersonline.org.uk** – the website of C&K Careers
