For job/apprenticeship vacancies you could also try looking at the websites of large employers in land-based and environmental industries such as RSPCA, National Trust, Environment Agency, and The Wildlife Trusts. Use Google to find their website addresses.

You could also try using **www.yell.com** to find vets, garden centres and florists near where you live. Your local Council may also have jobs related to working with plants and animals.

These websites will provide you with more information about working in the environment and with animals and plants
