Traineeships

Traineeships are for young people who want an apprenticeship or job, but need some work experience first and maybe to brush up on their English and maths. A Traineeship tends to last 3 months but can be up to six months and most of the time is spent on a work placement or on work preparation training. You can do a Traineeship locally with:

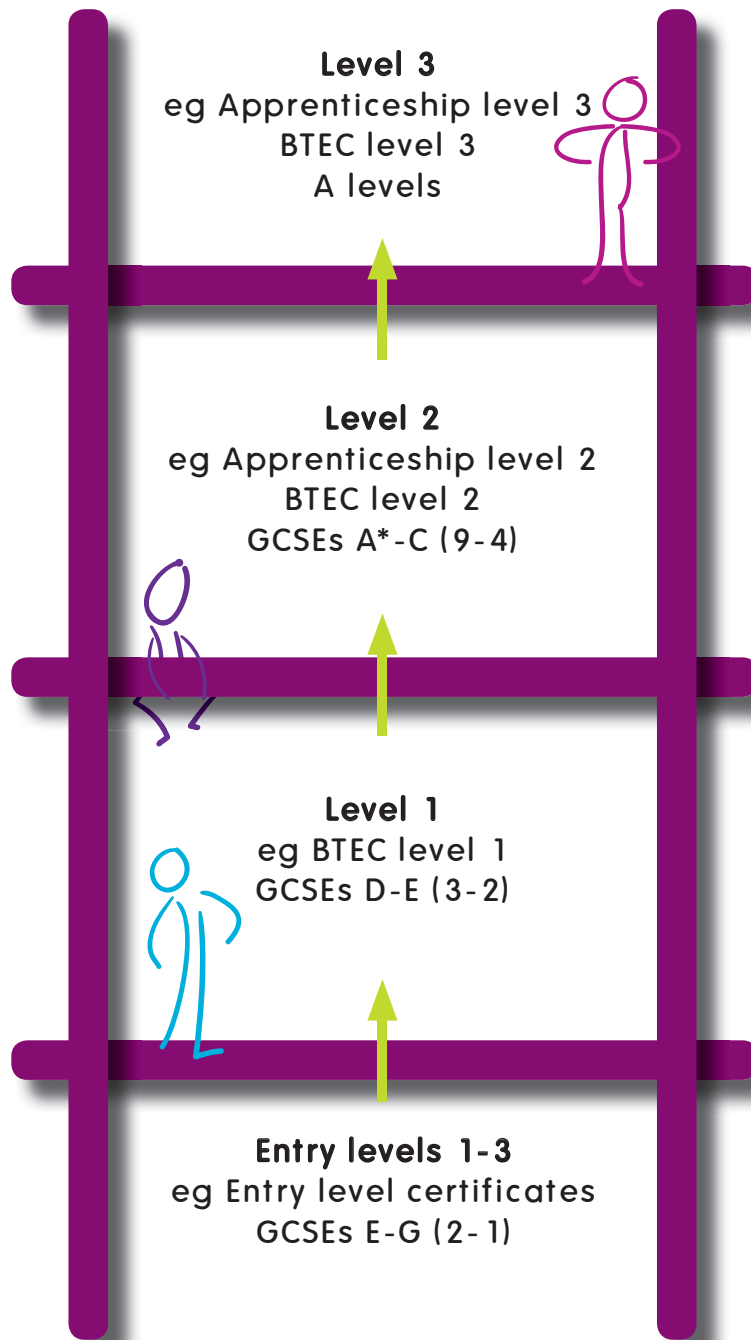

- Calderdale College - digital, IT, business administration, plumbing, electrical and all construction trades, hairdressing and/or beauty, customer service in catering and retail
- GP Strategies - health and social care and childcare

No idea? Not ready? Other things worrying you?

- Prince's Trust 'Team' programme - community project, team challenge, outdoor activities, work experience and help with CV and job search skills (12 weeks).
- Project Challenge - 'Improve Your Prospects' (4-5 weeks, over 2-3 days a week).
- Project Challenge 'N Gage' - up to 12 weeks. 12 hours a week. Home Cooking Award (includes life skills, maths and English).
