

**Research and apply for what you are going to do after Year 13 or when you have completed your apprenticeship**

- Higher education
- An apprenticeship - look out for higher and degree apprenticeships
- Full-time work
- Self-employment
- A career change - consider a course at a local college - check funding before you apply
- Voluntary work

**Year 13**

or age 17/18

**Year 12**

or age 16/17

**Invest in your future**

- Start a new course or apprenticeship
- Research your options after Year 13

**Research and apply for what you are going to do after Year 11. You have to stay in learning until you are 18.**

Choose from:

- a full-time course
- an apprenticeship or traineeship
- working or volunteering (for 20 hours or more a week) combined with part-time education or training

**Year 11**

**Year 10**

**Choose courses and subjects for Key Stage 4**

Think about:

- subjects you enjoy
- subjects you are good at
- subjects you need for future career plans

**Key Stage 4**

- Start new courses
- Learn about your options after Year 11

**Year 9**

**Year 8**

**Year 7**

**Start high school**

- Start to learn about yourself
- Experience studying new subjects
- Meet new people
